### Further Notes And Expectations

#### Conduct

- Always be respectful of others, including other members regardless of their age and especially to the KAFLA staff and adults.
- One shall be easily contactable, which includes that one will check their email regularly as it will be the main mean of communication.
- If one is to miss a meeting or event, they will personally contact the board members in regards to their absence along with a suitable explanation prior to their absence.
- One must come with an open mind and a willful attitude, ready to learn while also willing to participate.
- One should be responsible as this organization conducts large-scale projects which will disperse various responsibilities to the respective personnel.

#### Expectations

- One is expected to attend all meetings and events in a presentable manner.
- If one is having difficulty, they should take the first step in approaching other board members for assistance. The board members are not required to check every action -- rather they do not have the time to, thus one should take the initiative.
- One is expected to stay committed to the organization for at least one term (currently one year) and actively participate by providing one's input and service.
- One is expected to perform one's assigned task and duties along with the inferred responsibilities of one's position.
- Lastly, one is encouraged to have fun.

#### Meet & Greet

As stated earlier, a Meet & Greet will be scheduled individually in order for us, the KAFLA Jr. Board Members, to meet you personally, and to answer any necessary questions. This Meet & Greet is mandatory and in order for you to be admitted into the organization, it is required that you successfully submit your application and participate in a Meet & Greet.

\*Note: After you submit your application, please take time to email us (kaflajr@gmail.com) with the subject of "KAFLA Jr. Application Confirmation – Your Full Name", saying you completed your application and have successfully submitted to one of our members or to our office. This way we can confirm that we have your application and so that a Meet & Greet can be scheduled.

\*\*Note: We do not accept electronic submissions of the application.

I understand the stated requirements and expectations and by signing this form, I agree and comply with what is asked of myself by KAFLA Jr. Additionally, I release KAFLA Jr. as an organization and the board members from any responsibility or liability. I understand that I am responsible for anything that happens to me.
