COMMUNITY POLICE ACADEMY COURSE OVERVIEW

The Community Police Academy will provide community members with an inside look at the Police Department and various facets of law enforcement.

During the ten-week academy, students will be introduced to police operations and participate in a firearms safety demonstration, take a tour of Air Support Division and Communications Division facilities. Other topics include: Community Policing, Criminal Law, Internal Affairs and Discipline, Patrol Procedures, Vice Activities, Crime Prevention, Detective Investigations, Drug Enforcement, Crime Scene Investigations and Traffic Enforcement.

PURPOSE

The ten-week academy is designed to give community members an overview of the Police Department's policies and procedures. More importantly, it provides an opportunity for the community members and Police Department personnel to form a partnership. The curriculum and teaching methods are similar to the traditional law enforcement academy; however the weekly sessions are not designed to certify the participant as a law enforcement officer.

ACADEMY SCHEDULE

Classes meet on Wednesday evenings from 6:30 to 9:30 p.m. at Olympic Community Police Station, 1130 S. Vermont Avenue, Los Angeles, CA 90006, where parking is available for community members. Participants will receive a certificate upon completion of the ten-week academy. There is no fee to attend the Community Police Academy. Due to limited class space, candidates are accepted on a first-come, first served basis until each class is filled.

INSTRUCTORS

Academy classes are taught by experienced police officers and staff. Participants will have the opportunity to meet with the Commanding Officer and Assistant Commanding Officer of Operations-West Bureau along with various members of the Police Department. Students are encouraged to ask questions and express their concerns to Department employees. The Police Department hopes to provide a greater awareness and understanding of law enforcement's role in the community through the education provided by the Community Police Academy.

PARTICIPANT REQUIREMENTS

Candidates for the Community Police Academy must meet the following Criteria:

- Minimum age is 18 years
- Live or work within Department serviced area.
- No prior felony conviction
- No outstanding warrants
- No pending criminal cases
- Nominated by Area Commanding Officer
